

FEAST OF THE RAMSON ARTS & CRAFTS SHOW

April 21, 2018

Dear Artisan:

The flood may have destroyed our Middle and High Schools but we have risen above the destruction and are rebuilding Richwood making it better than ever! We will be hosting Richwood's annual "Feast of the Ramson" Saturday, April 21. The **Arts and Crafts** portion of the event will be held in the heart of Richwood (*City Hall, Library and the Fire Station*). These locations will be filled on a first come first served basis so get your application in early! The dinner will be served at Cherry River Elementary Cafeteria this year. Please join us in making this Feast of the Ramson a successful event. If you are a crafter and are worried about getting your own dinner, don't be. If you wish to purchase a meal we can arrange a take-out order.

If you have racks or display boards, please indicate this on the bottom of your application. Each space accommodates an 8 foot table, with room for chairs. We ask that you please **limit** reserved spaces to two for an individual crafter. Since our space will be smaller this year, this will allow us to accommodate more artisans. The cost for **each** reserved space is **\$20.00**. Electrical outlets are limited, so if you need electricity, make sure to mark this on your form. All crafters must **furnish their own tables and chairs!**

Spaces will be assigned on a first come basis as will electrical requirements and wall space. To be guaranteed a space, submit your application before **April 6!** Last year, spaces filled up before the deadline. For questions, please phone the Chamber at 304-846-6790, or email us at **rdwchamber@frontier.com**.

Set-up time begins at 8 a.m. and should be completed if possible by 10:00 a.m. when the show opens. For early arrivals (*not available for those setting up at the Fire Station*), check in will be at City Hall from 5:00 p.m. to 7:00 p.m. on Friday, April 20th should you wish to set-up within that time frame. Our organizers will be volunteering their time after work on Friday in order to get the spaces marked and it is possible that you may experience a short delay. We hope to see you April 21.
